## **30th Frankfort Avenue Easter Parade Saturday, March 30, 11:30 am.**

Louisville's only Easter Parade returns to The Avenue! This spring, the Frankfort Avenue Easter Parade hits a milestone in celebrating 30 years of unique family fun in the Crescent Hill and Clifton neighborhoods. So grab your bunny ears and hop on over to The Avenue for this family-friendly, candy-filled, free event.

This year's Parade Grand Marshall, Mark Gaff, will kick things off around 11:30 a.m. in front of St. Mark's Episcopal Church, 2822 Frankfort Ave. Hundreds will travel down the historic thoroughfare to the parade end at the corner of Frankfort Ave. and Pope St.

Join us for Louisville's most unique, colorful, fun-filled kangaroo hopping, little car driving, men sitting on a 20-foot long camel, and Easter/Spring candy throwing event in the city. The day will be full of color, candy, and character, with homemade floats, dance groups, antique cars, and trucks. Parade entries range from the Shriners, Hwang's Martial Arts, the Mounted Sheriff's Posse, "Ethan Almighty," Mexico Lindo, local Churches, The West Market Brass Band, Professional Mermaids, and many more...and don't forget, our most esteemed guest the Easter Bunny!

But wait, there is more...You, too, can join in the parade fun! Grab your family and friends, dress up the family dog, be a part of a kazoo band or any band, and decorate your Radio Flyer Wagon, your big wheel, or your car...it is up to you to show us your creative side. To kick the fun up a notch, judges will be on hand to decide who claims the "Good Ears" awards for the most creative floats and parade participants.

The Frankfort Avenue Easter Parade has been a unique part of what makes our vibrant community so great to be a part of these past 30 years. Thanks to the Frankfort Avenue Business Association, Clifton Community Council, Crescent Hill Community Council, and Metro Council District 9 for their continued support. Other Parade sponsors include: Porcini/Farmer Children's Foundation, Urban Village Veterinary Care, The Hub, Heine Brothers Coffee Inc, Tilford Dobbins and Schmidt PLLC, Headliners/Production Simple, Independence Bank, Apex Massage and Wellness, Signarama Downtown, Cornerstone Group Realtors, Walton Jones Realtors, Linda Gries DVM & Crescent Hill Animal Hospital, Just Creations, Screens of KY, The Wine Rack, Suedistracteddriver.com, Gelato Gilberto, European Splendor, Morgan McGarvey for Congress, Kate Farrow for State Representative, and AMP Apartments.

## D9 Neighborhood Report

By Metro District 9 Councilman Andrew Owen

While it is February and the winds are still primarily blowing a cold chill across the Derby City, the daffodils and tulip shoots are starting to poke their heads out above the soil, and Spring is “occasionally” in the air. With that in mind, there will be multiple opportunities for D9 residents to participate in spring cleaning projects around the district in the coming months. On Saturday, April 13th in conjunction with Operation Brightside’s Community Wide Cleanup, there will be a cleanup event starting at the public parking lot at the corner of Frankfort Avenue and Keats Avenue in Clifton and another starting at Independence Bank, at 3901 Shelbyville Road in the Heart of St. Matthews. On Saturday April 20th the District 9 office will be hosting the 2nd annual Beargrass Creek-sweep event which will start at the parking lot at the corner of Lexington Road and Ledge Road at the entrance to Cherokee Park. All three of these events will be held during the morning hours but start times have not yet been finalized. Pencil-in the dates in on your calendar and we will update additional logistic information and start times in the newsletter on social media and on our website when it becomes available.

We will also be hosting a “How to Start A Neighborhood Watch” workshop this Wednesday, February 21st at 6:30 pm. at United Crescent Hill Ministries at 150 State Street in Clifton. Representatives of the LMPD’s 5th Division will be in attendance to answer any questions or concerns. Whether you live in an area that has a Neighborhood Watch program that is no longer active, or you want to start a program for the first time, this is the workshop for you. LMPD continues to support these programs and believes that an active neighborhood watch program is one of the best ways for neighbors to be proactive and assist in improving public safety.

Finally, I want to highlight a piece of terrible legislation that is very likely to pass out of the current legislative session in Frankfort. This legislation will almost certainly have an extremely detrimental impact on the availability of affordable housing here in Louisville going forward. House Bill 18 and Senate Bill 25 take aim at the “source of income” ordinance which passed the Louisville Metro Council with a UNANIMOUS 26-0 vote in 2020 and similar legislation that passed the Lexington/Fayette County Council last week 13-2. Former District 9 Metro Councilman Bill Hollander wrote a fantastic editorial for the January 22nd edition of the Louisville Courier-Journal on the subject here – <https://www.courier-journal.com/story/opinion/2024/01/22/source-of-income-bans-housing-help-kentucky/72279630007/>.

At its worst, this is legislation in search of a problem that doesn’t exist. Since the unanimous vote approving the legislation in Louisville four years ago, there have been no reports of landlords being forced to rent to any prospective tenant, because, unlike the proponents of the bill in Frankfort say, that is not what the legislation does. It simply makes it illegal to deny any person housing, based solely on their source of income. HB 18 and SB 25 are clear attacks on the sovereignty of the urban areas of our state, and the Republican Supermajority has made it abundantly clear that they abhor local control and have happily assumed the role as the party of government overreach. They not only believe they are smarter than the Metro Council members of both parties, that were duly elected to represent their 700,000 constituents, but they are hellbent on pre-empting or overturning every local law they disagree with; no matter how much support those laws have at Metro Council or among the people of Metro Louisville.

# UNITED CRESCENT HILL MINISTRIES IS 50 YEARS OLD!!!!

United Crescent Hill Ministries  
150 State St.

UCHM is celebrating 50 years of service to our community. This year marks a tremendous milestone that encapsulates an abundance of giving and receiving to serve the most vulnerable and marginalized of our neighbors. The incredible vision, creativity, perseverance, community-building, collaboration, and passion of thousands of people coming together has had an immeasurable impact on the lives of those serving and served through UCHM.

UCHM began in the wake of the devastation caused by the tornado of 1974. Faith and community leaders coming together to forge a new non-profit to meet the needs of their neighbors has evolved and transformed throughout the years to include youth programming, activities for those over the age of 60, meals on wheels, partner with the community councils, various civic clubs, provide a space and hospitality to our friends in the blind community, and so much more. We are ever grateful for those wise and steadfast leaders in the early days, along with those wise and steadfast leaders in all those 50 years to give us the privilege to serve our community.

UCHM plans to celebrate our birthday this year with a variety of events. We kicked it off with a Valentines Dance for our seniors at St. Leonard's on February 9th with the Checkmates and a capacity crowd. Thanks for Monique Shaughnessy for her tireless efforts and vision to make that a reality. We hope you will join us as we move through this momentous year.

Join us on Saturday, April 12th for an Open House of our New Food Pantry/Store at 11AM. This will be welcomed change for our food distribution to help create more dignity, choice, reduce waste, and build better community. We look forward to this new shift and hope to see you there.

Our Celebration for **UCHM'S 50th Anniversary will be OCTOBER 12TH – SAVE THE DATE!**

Volunteers are always needed to help distribute the newsletter, so let us know if you would like to take a route or help on delivery day.
